

THE ALEXANDER THOMSON SOCIETY

7 Walmer Crescent, Glasgow G51 1AT

Join the Society

The architect Alexander 'Greek' Thomson helped make Glasgow 'the finest Victorian city in the world'.
By joining the Alexander Thomson Society you can:

- Help promote awareness of Thomson and his work.
- Help the Society protect his remaining buildings and ensure the best use of them for the future.
- Join in the Society's regular programme of informal winter talks about Thomson, his work, his contemporaries and related topics.
- Receive the Society's *Newsletter* of information about casework and occasional research into Thomson, his family and his buildings.
 - Join the summer programme of informative walks and occasional other outings.
 - Take part in the AGM and help make decisions about how the Society does its work.

Join the Alexander Thomson Society now – Simply fill in your details here:

Your details:	Your membership:
Name 1	tick one box

email.....	
Would you like to boost your support for Thomson and his work with an additional donation? The minimum subscription covers just the society's minimum running costs (so that everyone with an interest can join).	
<input type="checkbox"/> £1 <input type="checkbox"/> £5 <input type="checkbox"/> £10 <input type="checkbox"/> £20 <input type="checkbox"/> £50 <input type="checkbox"/> £.....	

Send the completed form, with a cheque for the total sum payable to 'Alexander Thomson Society', to:

Membership Secretary, 7 Walmer Crescent, Glasgow G51 1AT

You'll then receive current membership mailings, a selection of recent newsletters, the option to increase the value of your support by completing a Gift Aid declaration and an invitation to set up a standing order for automatic payment of future subscriptions.

Questions? Please email them to membership@greekthomson.org.uk or write to 7 Walmer Crescent (s.a.e. appreciated).

We will use your information only for contacting you about matters concerning Thomson and the running of the Society. We will not make your data available to any third parties.
